

## Are We Failing to Heed the Exact Requests of Our Lady of America?

Since we did not heed Our Lady of Fatima's requests exactly as asked and in a timely manner, we incurred a century of sorrow that could have been avoided had we obeyed. Are we in danger of repeating such failure with Our Lady of America's requests in not fulfilling them exactly and completely as asked, and in a timely manner? Our Lady constantly warns us that it is late, oh so late! She has promised miracles for America, in particular, if we do as she has asked, not miracles of the body but of the soul, miracles, in truth, greater than the spinning sun, a phenomenon in the natural order! She has promised to be a protection for our country if we enthrone her in our Patronal Church as she has asked for so explicitly, October 13, 1956, barely more than two weeks after her first appearance, as she held a replica of the finished shrine in her hands. This is My Shrine! In other words, our Patronal Church is her home, the only place she asked to be made a place of special pilgrimage!

Friday, May 13 we remember Our Lady's first of six appearances at Fatima on the 13<sup>th</sup> of the month through October of 1917. Our Lady called for prayer and penance in atonement for sin, for the conversion of sinners and the salvation of souls. She identified herself as "**I am Our Lady of the Rosary,**" and asked us to pray it daily and often for peace in the world. Her messages are always of this nature, for she weeps over the loss of so many souls who go to hell, especially as she told Jacinta, for sins against purity. **Later, on June 13, 1929**, at the Dominican convent in Tuy, Spain, Sr. Lucia was making a holy hour from 11:00 P.M. to midnight, with no light in the chapel but the sanctuary light when, suddenly, a supernatural light illumined the chapel and a cross of light appeared on

the altar, reaching to the ceiling. She was given a vision of what has become known as the **Icon of the Redemptive Trinity**— Father, Son and Holy Spirit-- with Our Lady of Fatima who held in her left hand her Immaculate Heart and a crown of thorns and flames in her right. A chalice and host were suspended in mid-air and drops of blood from Jesus' Face and the wound in His side fell over the host and into the chalice. Under the left arm of the cross were large letters, as though of crystal-clear water, running down over the altar, spelling the words: **GRACE and MERCY**. Our Lady spoke these words to Sister Lucia:

**"The moment has come when God asks the Holy Father to make, in union with all the bishops of the world, the consecration of Russia to My Immaculate Heart, promising to save it by this means. So numerous are the souls which the justice of God condemns for sins committed against Me, that I come to ask for reparation. Sacrifice yourself for this intention and pray."** <https://catholicism.org/heavens-icon.html>

Along with the consecration of Russia, Our Lady asked for the Five First Saturdays devotion in reparation for sins committed against her Immaculate Heart. By this request, God wished to establish the cultus of devotion to the Immaculate Heart of Mary in the world. At Fatima, Our Lady promised the Triumph of her Immaculate Heart over satan and evil. Although the consecration was done repeatedly by popes, the past March 25, 2022 consecration done by Pope Francis, specifically naming Russia, seems to be the most exact, but the First Saturday request is still being too much ignored. Had we obeyed Our

Lady of Fatima's request completely and precisely as requested and in a timely manner, we can trust the errors of atheism, which stemmed from Russia, once a Catholic nation, would not have spread throughout the world. Nor would World War II have happened, as warned, nor would we be facing the extreme possibility of World War III, about which Our Lady of Fatima also warned. **Hitler's Holocaust of 6 million Jews and another 5 million non-Jews and Stalin's Holodomor in 1932-33 in which 7,000,000 Ukraine peasants were starved to death and their bodies bull-dozed into huge ditches with stone cold contempt depict the level of demonic power at play in the world.** Is history repeating itself? <https://www.ilholocaustmuseum.org/holocaust-misconceptions/> <https://www.returntoorder.org/the-soviet-story-a-documentary-film-directed-by-edvins-snore/?pkg=rtoe1522> (reports vary on the number killed)

On September 26, 1956, Our Lady appeared to Sister Mildred (Mary Ephrem) Neuzil with the same requests as at Fatima for prayer and penance, reform of life and sanctification from within through union with the Indwelling Trinity, praying the rosary as a family, renewal of the family through imitation of the Holy Family and working for peace in the world, which she said has been entrusted to the care of the Holy Family. St. Joseph is to be honored in a special way on First Wednesday with the Joyful Mysteries of the Rosary commemorating his time on earth with Jesus and Mary in the work of redemption. Our Lady of America has mandated the United States of America to lead the world in spiritual renewal and efforts toward world peace, Christ's peace, recognizing the Presence of the Holy Trinity in every person. America is called to be THE Nation dedicated to Mary's purity!

**They think they have done enough in consecrating themselves to my Immaculate Heart. It is not enough. That which I ask for and is most important many have not given me. What I ask, have asked, and will continue to ask is reformation of life. There must be sanctification from within.** (Sister Mildred Mary Neuzil, OUR LADY OF AMERICA, Tiffin, OH, Page 18.)

The depth of moral decay in our country and all of society and Our Lady of America's repeated warnings suggest we have NOT sufficiently heeded her call at Fatima nor her call here in America for penance and conversion. Devotion to St. Joseph is exploding, especially on First Wednesday, thanks to Fr. Donald Calloway's **CONSECRATION TO ST. JOSEPH**. We are not paying close enough attention, however, to Our Lady's specific requests here in America, particularly her requests regarding our Patronal Church, the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C., made over 65 years ago. Our Lady of America's requests beyond conversion and reform of life are simple: promote **her messages and warnings**, which Sister Mildred did with her Diary. Archbishop Karl J. Altar, Sister's bishop at the time, asked for a sign from Our Lady and received more than he asked for, the medal being one of them; Sister was directed to him for permission to have the medal struck. Fr. Paul F. Leibold gave Sister's sketch the imprimatur on May 1, 1961, and after the archbishop's death, had the medal struck for Sister. Its design with Our Lady of America on the front and the coat of arms of the Christian Family on the back was shown to Sister by Our Lady. Then Sister was asked to procure an indulgence for the ejaculation, "**By thy Holy and Immaculate Conception, O Mary, deliver us from evil,**" which Sister did. She drew Our Lady's image as requested for a statue to be made and enthroned in our National Shrine. Sister has done her part. The rest is up to the US Bishops and the people of America. Of the people, Our Lady asked for a picture or statue of her enthroned in every home and then there would be peace. Of all the US bishops, she asked for her statue to be enthroned in **HER SHRINE, our Patronal Church in Washington, D.C. as a safeguard for our Country. All the US Bishops!**

My daughter, will my children in America listen to my pleadings and console my Immaculate Heart? Will my loyal sons carry out my desires and thus help me bring the peace of Christ once again to mankind? (The Diary, Page 15.)

October 13, 1956, Diary Page 14: Instead of the lily, she held with both hands a small replica of the finished Shrine of the Immaculate Conception. She then began to speak. Her presence overwhelmed me with its holiness. I was compelled to stop my work, for it was impossible to go on. I then knelt down and wrote Our Lady's words as she desired.

"This is my shrine, my daughter. I am very pleased with it. Tell my children I thank them. Let them finish it quickly and make it a place of pilgrimage. It will be a place of wonders. I promise this. I will bless all those who, either by prayers, labor, or material aid, help to erect this shrine."

November 15, 1956, Diary Page 14: Our Lady taught me this little prayer: "By thy Holy and Immaculate Conception, O Mary, deliver us from evil." Our Lady then asked me to draw a picture of her first appearance. She also requested a statue made according to this likeness and placed, after being solemnly carried in procession, in the Shrine of the Immaculate Conception in Washington, D.C. She wishes to be honored there in a special way as Our Lady of America, the Immaculate Virgin.

February 11, 1958, Feast of Our Lady of Lourdes, Diary Pgs. 24-25: Our Lady spoke of her particular interest in the *youth* of our nation, whom she gave the title "Torchbearers of the Queen." She said they must study and live the doctrine of the Divine Indwelling. The medal would be their shield against evil, a picture or statue of Our Lady of America in the home its protection, and the statue at the Shrine in Washington, D.C. a special safeguard for our country! America, the United States in particular, is being given the tremendous, yet privileged, opportunity to lead all nations in a spiritual renewal never before so necessary, so important, so vital.

April 24, 1961, Diary, Page 36: "If my desires are not fulfilled much suffering will come to this Land." June 26, 1967, Diary Page 36: "My child, I come again for men have not changed their lives. Their sins cry to heaven for punishment. I hold out help, they will not receive it. I show them the way to peace but they only spurn the efforts of my love. It is late, sweet child, oh so late!

February 22, 1972, Diary, Page 36: "When a picture or statue of myself as Our Lady of America is placed in the home and honored there, then will my Son bless His people with peace. Believe in me, dear child, believe in me, my love will never fail you."

January 3, 1984, Diary, Page 45: "Dear Mother, will there be a nuclear war? Everyone is so afraid." She replied: "My faithful one, if my warnings are taken seriously and enough of my children strive constantly and faithfully to renew themselves in their inward and outward lives, then there will be no nuclear war."

To honor Our Lady's request for the home, all 8x10 and 18x22 photos of Our Lady of America are free the rest of May and through the month of June, while supplies last. Please make a donation online to cover the cost of shipping. Will you help the Holy Family bring the peace of Christ once more to the world?
