The design of this 15-inch resin statue of Our Lady of America is based on Sister Mildred Mary Neuzil's original drawing, and the refinement of that drawing as shown on the Diary of messages available through Our Lady of America Devotion, www.ourladyofamerica.com. A sheet explaining the symbolism per Sister Mildred's instruction will be included with the statue.

Our Lady requested that a statue in this image be enthroned in our Patronal Church, the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C., the church of the United States Conference of Catholic Bishops and of the people of America, and in every home!

"When a picture or statue of myself as Our Lady of America is placed in the home and honored there, then will my Son bless His people with peace." (Diary, page 36.)

Statues are \$60.00 and free shipping and handling until June 7th, 2024. Please give your proper and complete address and a phone number in case of questions on your delivery.
