

# The Final Battle Between Satan and Our Lady

**Then the Lord God said to the serpent: “I will put enmity between you and the woman, and between your offspring and hers; He will strike at your head, while you strike at his heel.” (Genesis 3: 15.)**

**“The final battle between the Lord and the kingdom of Satan will be about marriage and the family. Do not be afraid, because anyone who works for the sanctity of marriage and the family will always be fought and opposed in every way, because this is the decisive issue. However, Our Lady has already crushed his head.” (Sister Lucia, CALLS FROM THE MESSAGE OF FATIMA.)**

On November 20, 1980, Our Lady, as Our Lady of America, gave a mandate from Heaven to the United States of America, a mandate to lead the world to peace, that peace Christ brought with Him from heaven. She warned:

**“Dear Child, unless the United States accepts and carries out faithfully the mandate given to it by heaven to lead the world to peace, there will come upon it and all nations a great havoc of war and incredible suffering. If, however, the United States is faithful to this mandate from heaven and yet fails in the pursuit of peace because the rest of the world will not accept or co-operate then the United States will not be burdened with the punishment about to fall.” (Sister Mildred (Mary Ephrem) Neuzil, The Diary, OUR LADY OF AMERICA, Pg. 38.)**

This 1980 warning echoes that given to Sister Mildred (Mary Ephrem) Neuzil in January of 1957, barely four months after her first appearance nearly sixty-seven years ago, an appearance that was such a great favor to America, holding out promises of miracles greater than those granted at Lourdes and Fatima, **miracles not of the body but of the soul**, if we would do as she has asked. How Our Lady weeps over our world! She begs us to turn to her Immaculate Heart. **“My Immaculate Heart will win in the end.” (Diary, Pg. 23.)**

**“The hour grows late. My Son’s patience will not last forever. Help me hold back His anger, which is about to descend on sinful and ungrateful men. Suffering and anguish, such as never before experienced, is about to overtake mankind. It is the darkest hour. But if men will come to me, my Immaculate Heart will make it bright again with the mercy which my Son will rain down through my hands. Help me save those who will not save themselves. Help me bring once again the sunshine of God’s peace upon the world.” (Diary, Pg. 15, January 1957.)**

**“My sweet child, unless my children reform their lives, they will suffer great persecution. If man himself will not take upon himself the penance necessary to atone for his sins and those of others, God in His justice will have to send upon him the punishment necessary to atone for his transgressions.” (Diary, Pg. 17, April 1957.)**

**The danger is imminent, there is no time to lose. Tell my faithful ones who are working so diligently for my cause that I am grateful but urge them to do all in their power to continue even in the midst of sacrifice and suffering. They will not be alone in their struggle. Myself, with the holy angels, will be always with them to help, fight and encourage. Get this message to them quickly as the time is shorter than ever.” (Diary, Pg. 39, Jan. 23, 1981.)**

**“My beloved daughter, what I am about to tell you concerns in a particular way my children in America. Unless they do penance by mortification and self-denial and thus reform their lives, God will visit them with punishments hitherto unknown to them. My child, there will be peace, as has been promised, but not until my children are purified and cleansed from defilement, and clothed thus with the white garment of grace, are made ready to receive this peace, so long promised and so long held back because of the sins of men. My dear children, either you will do as I desire and reform your lives, or God Himself will need to cleanse you in the fires of untold punishment. You must be prepared to receive His great gift of peace. If you will not prepare yourselves, God will Himself be forced to do so in His justice and mercy. Making the rosary a family prayer is very pleasing to me.” (Diary, Pg. 21, October 7, 1957, feast of the Holy Rosary. )**

*9/11 - At War with the Demons!*

With great favor comes great responsibility. From the beginning Our Lady spoke great blessings and great warnings, especially to her children in America, but for all Nations, for the Church, for every family and soul on earth. It is a puzzle why the messages from 1959 to 1984 were excluded from the study endorsed by six bishops under the authority of Bishop Kevin C. Rhoades. One gentleman close to him said they didn't think the messages after 1959 were important. Please read pages 35 to 46 of Sister Mildred's diary and see their importance in relation to the loss of faith in the Real Presence, the false teachers in the Church, the insidiousness of evil, the unnatural acts which are intrinsically evil but are being erroneously called intrinsic rights and legalized like any other. Can anything Our Lady comes from heaven to warn us about not be important for our salvation?

***The National Tribune, V.4,#12, December 1880*** recounts the vision of a beautiful lady General George Washington saw at Valley Forge in the winter of 1777. Calling him **“Son of the Republic,”** the lady spoke of three great perils the Republic (America) would endure. The first was the Revolutionary War and the second the Civil War. The third would consist of combined forces from Europe, Asia and Africa. **“The most fearful is the third, but the whole world united shall not prevail against her. Let every child of the Republic learn to live for God, his land, and the Union.”** (American History You Never Learned, friend of Medjugorje.) We are in that third peril manifest in the vehement opposition to God, to Christ's Church, to life and to the family that is tearing our Nation and Church apart. It is evident in the level of moral depravity throughout the world unlike anything we have seen since the time of Noah and the flood. It is evident in the reign of atheist rulers and false teachers in our governments and churches. Our Lady warned **“the Forces of Evil are enveloping the world. Their hatred, however, is now particularly focused on the United States because of the Divine Mandate given to it to lead the world to peace.”** (Diary, Pg. 39, Feb. 11, 1981.)

America was formed as a beacon of hope in the world, as a land over which Our Lady would rule as Queen and Mother, our defense against Satan who has been unleashed upon the world in punishment for sin. Satan's effort to destroy the Church from within and without is more fierce than ever. His plan is to destroy the indissolubility of marriage between one man and one woman which ensures the stability of the family and of society. Without a stable family, young people are not properly educated. Without Christian families, Faith and religious vocations, especially to the priesthood, are not nurtured. Without priesthood there are no sacraments, no forgiveness of sin for the salvation of souls, no Eucharist to feed the soul, and no worship of the one true God and Father of all.

The evil forces of atheism, communism, socialism, neo-paganism, Satanism, relativism, naturalism, secularism, and the errors of modernity and the drug culture and human trafficking,

all the sexual perversions and transgender ideology, radical feminism which seeks to destroy manhood and fatherhood, are all aimed at the destruction of Fatih in God as our Father and the Catholic Church as our Holy Mother Church, and the destruction of the traditional family. A godly Nation and a holy Church are built upon the foundation of holy families. At the heart of the message of Our Lady of America is the renewal of the Christian family. Sister Mildred understood this to be her mission and that renewal would be accomplished through imitation of the simple virtues of the Holy Family of Nazareth and the loving performance of one's daily duties according to one's state in life. The holiness of the family is achieved through union with the Indwelling Presence of the Most Holy Trinity, in other words, living in the state of sanctifying grace. Our Lady of America asked that we pray the family rosary every day and promised that those found in the circle of her rosary would never be lost. No wonder St. Louis de Montfort said devotion to Our Lady is a sign of predestination. Sr. Lucia of Fatima stated that the rosary is Our Lady's special weapon against satan, especially in these dark times.

**"The Most Holy Virgin, in these last times in which we live, has given a new efficacy to the recitation of the Rosary to such an extent that there is no problem, no matter how difficult it is, whether temporal or above all spiritual, in the personal life of each one of us, of our families...that cannot be solved by the Rosary. There is no problem, I tell you, no matter how difficult it is, that we cannot resolve by the prayer of the Holy Rosary."**

Our Lady hears our pleas! A statue of Our Lady of Prompt Succor placed in the window of a monastery of nuns praying for protection from a severe storm headed their way took a sudden turn away from the convent and spared them. Eight Jesuits in the Nagatsuka novitiate survived the Hiroshima atomic bomb while 86% of people in an 8-block radius around them were incinerated. A Franciscan convent in Nagasaki, the Japanese capital for Catholicism, built by Maximilian Kolbe, where the second atomic bomb hit, also survived the devastation around them. Both groups were devoted to Our Lady and the rosary. The Maria Lanakila Church in Lahaina, Hawaii, remained standing amidst the rubble, untouched by the uncontrolled fires that destroyed so much of the island of Maui these past few weeks. Lanakila means Our Lady of Victory, a title first given to Our Lady when a small Christian fleet was victorious over the much larger Ottoman Turk fleet in the Battle of Lepanto on October 7, 1571. Pope Pius V had asked the people of Europe and the men on the fleet to pray the rosary for victory. The lead ship bore an image of Our Lady of Guadalupe on its mast. The feast of Our Lady of Victory was established on October 7 the following year to thank Our Lady for this intervention. It was later changed to the feast of the Most Holy Rosary. Twelve encyclicals and five apostolic letters have been written on the power of the rosary as a weapon against evil. Let us heed Our Lady of America's command and join her battle: **"Be my army of chaste soldiers, ready to fight to the death to preserve the purity of your souls."** (Diary, Pg. 12, September 27, 1956, one day after her first appearance.)

**Finally, draw your strength from the Lord and from his mighty power. Put on the armor of God so that you maybe able to stand firm against the tactics of the devil. For our struggle is not with flesh and blood but with the principalities, with the powers, with the world rulers of this present darkness, with the evil spirits in the heavens. (Ephesians 6:10-13.)**

**"While the stars and the heavens send down dew upon the earth, so long shall the Union last."  
Our Lady of America, protect America, the land that belongs so dearly to you!**
