

# Evil Is Enveloping the World and Is Focused on America

**It is evident that the Forces of Evil are enveloping the world. Their hatred, however, is now particularly focused on the United States because of the Divine Mandate given to it to lead the world to peace.**

(Sister Mildred (Mary Ephrem) Neuzil, Diary, OUR LADY OF AMERICA©, Fostoria, OH, Pg. 39.)

Sister Mildred (Mary Ephrem) Neuzil recorded these words in her Diary, **OUR LADY OF AMERICA©**, dated February 11, 1981. Considering that Our Lady says the ***“hatred of the Forces of Evil is now particularly focused on America because of the Divine Mandate given to it to lead the world to peace,”*** we can conclude that we are dealing, not merely with corrupt political agendas within and without our nation, but with evil forces of a superior spiritual nature opposed to anything Divine, the sinister works of that fallen angelic spirit, Satan himself, along with his demon cohorts and those human persons under demonic influence. In these later messages, Our Lady spoke of a great urgency, the shortness of time to make the necessary sacrifices to bring about world peace, and the ***“closeness of the terrible purification that is about to fall upon all nations”*** because of the sinfulness of this generation. She urged us to make the sacrifices expected of us, pray the family rosary every day and the **Prayer to the Immaculate Conception, Patroness of the United States** once or more each day. That urgency is expressed clearly in these words, and so is the promise of Our Lady’s help and that of all the good angels.

**“Dear child, the danger is imminent, there is no time to lose. Tell my faithful ones who are working so diligently for my cause that I am most grateful but urge them to do all in their power to continue even in the midst of sacrifice and suffering. They will not be alone in their struggle. Myself, with the holy angels, will be always with them to help, fight and encourage. Get this message to them quickly as the time is shorter than ever.”** (Diary, Pg. 39, January 23, 1981.)

Earlier, on December 10, 1980, Our Lady had warned of the dangers of human wisdom if separated from Divine Wisdom.

**“Unless human wisdom is guided and saturated by Divine Wisdom, it is a helpless yet dangerous tool in human hands. Helpless because it lacks understanding and true knowledge, dangerous because it leads to wrong paths of darkness where the only light is false like a mirage in the desert.”**(Diary, Pg. 39.)

**Why did Heaven choose America for this great cause of peace for the entire world?** Our Lady's own words that the United States is "**a small one among nations**" gives us the answer, for Sacred Scripture and God's saving action in human history proclaim his bias for the little ones. America is a "child" among the nations of the world. Children know they owe their lives to their parents and are naturally dependent, simple in faith and completely trusting of their parents' love. America was born out of a Judeo-Christian heritage that acknowledges the **supreme authority of God as Creator, Provider, Lord and Father over us and every nation**, an authority that transcends us and commands our obedience and worship, our love in return to the Father who made us and cares for us. God designed the human family to have a father and a mother. Hence, on Calvary Jesus, Son of the living God, gave us His own Mother, Mary, as Mother of us all. With childlike devotion, America chose to honor Mary, our spiritual Mother, under her privileged title of the Immaculate Conception as our Patroness. In turn, Mary has chosen to honor America with her appearance and favor under this new image, **Our Lady of America**®, and with this mandate as an expression of gratitude for our devotion to and confidence in her. And, as a mother solicitous for the well being of her children, she has come to warn us of a pending judgment upon this sinful generation and to plead with us to reform our lives and stay that conditional judgment. Our Lady gives us a vocation to be **The Nation** dedicated to her Purity, a call that binds us to be pure ourselves. She has promised us her protection and "**miracles, not of the body but of the soul, greater than those granted at Lourdes and Fatima,**" if we do as she has asked: Reform our lives! Hear her words mandating America to spiritual leadership in the work of peace throughout the world.

**"Beloved daughter, the United States is a small one among nations, yet has it not been said that 'a little child shall lead them'? It is the United States that is to lead the world to peace, the peace of Christ, the peace that He brought with Him from heaven in His birth as man in the little town of Bethlehem. The Savior did not come to enter this world in a big city but a small town, again, a little one among many. Dear child, unless the United States accepts and carries out faithfully the mandate given to it by heaven to lead the world to peace, there will come upon it and all nations a great havoc of war and incredible suffering. If however, the United States is faithful to this mandate from heaven and yet fails in the pursuit of peace because the rest of the world will not accept or cooperate then the United States will not be burdened with the punishment about to fall."**

**I [Sister Mildred] was afraid that the burden of leadership would be too great for the United States without some special help from heaven. Our Lady assured me that Michael and the whole army of Blessed Spirits will give their assistance at all times. As the Queen of Angels she has loving command over them and they accomplish whatever she wishes. This made me feel better and the fears that I had left me. (Diary, Pg. 38, November 22, 1980.)**

America was born from the blood of its heroes who died for our right to be free and to freely worship God. America's unique passion for freedom and the unalienable rights to life, liberty and the pursuit of happiness, human rights which come from God alone and have been written deeply into our human nature where no man can take them from us, makes America an ideal choice for this battle against evil, godlessness and human oppression.

How are we to bring the **peace of Christ** to a world plagued with greed and war, torture and terrorism, nuclear escalation and weapons of mass destruction, rapidly rising atheism and New Age paganism, and radical movements of hedonism and heresy? Evil forces are at work to destroy the democracy and freedoms of America and to replace them with **atheistic totalitarian socialism** in which the government is god and man is a mere cog in the "machinery of progress" to be discarded when no longer productive. We see the same hatred of the forces of evil focused on the Church of Christ because it remains the one steadfast fortress opposing its evil intent. Evil's "**divide and conquer strategy**" is evident in the number of dissident Catholics and name-only Catholic institutions that no longer uphold, teach and defend the Church's complete doctrine and who align themselves more with faulty human wisdom than with the Eternal Wisdom of God. When Jesus established His Church, the Catholic Church which alone can trace itself in apostolic succession back to Peter, the rock, and Christ its Head, He gave us His promise: "**The gates of hell shall not prevail against it.**" Rebellion against God and His Church are expressed in the vehement attacks upon life in the womb and against traditional marriage and family life as ordained by God for the stability and growth of human society. Spiritual blindness is a major disease of the soul and is leading our nation to sell its soul to the devil in exchange for economic security-- for a while. How can God bless America if we deny He exists or loves us and has authority over our lives? **It is God Who makes the rules and decides what is right and what is wrong, not man.** In 1954 Our Lord explained to Sister Mildred why the world is dying; the reason—the lack of Faith in Him.

**"My little white dove, if the world is dying, it is because it will not let Me give it life. I am the resurrection and the life, and unless souls seek their life in Me, they will find only death and destruction. They fear man-made destroyers of life, yet destruction is in themselves. Man destroys himself through the evil that is in himself. Implements of war kill only that which is without. Man kills that within himself which none but he can kill. God is light, man is darkness, and unless he comes into the light, he will be forever darkness....My little white dove, do you know what I find most lacking in the world today? It is FAITH."**

(Diary, Pg. 4.)

**Man is darkness; God is light. What is this dark force that is seducing mankind into the science of self destruction?** That dark force is evil, sin, the sin into which every human person, save Mary, is born as a result of the original sin of our first

parents. It effects a darkening of the intellect that makes us readily susceptible to lies; a hardening of the heart that impels us to dethrone God and enthrone ourselves; and a weakening of the will that drives us to deny our higher spiritual nature in favor of the weaker nature of a self-gorging flesh. The evil inherent in original sin shatters the light of Faith and deadens our conscience, easing our way into personal sin. The **CATHECISM OF THE CATHOLIC CHURCH** addresses this darkness of sin that pervades our human history.

**Sin is present in human history; any attempt to ignore it or to give this dark reality other names would be futile. To try to understand what sin is, one must first recognize the profound relation of man to God, for only in this relationship is the evil of sin unmasked in its true identity as humanity's rejection of God and opposition to him, even as it continues to weigh heavy on human life and history.**

**Only the light of divine Revelation clarifies the reality of sin and particularly of the sin committed at mankind's origins. Without the knowledge Revelation gives of God we cannot recognize sin clearly and are tempted to explain it as merely a developmental flaw, a psychological weakness, a mistake, or the necessary consequence of an inadequate social structure, etc. Only in the knowledge of God's plan for man can we grasp that sin is an abuse of the freedom that God gives to created persons so that they are capable of loving him and loving one another.** (Catechism of the Catholic Church, #'s 386, 387.)

**How do we recognize sin and how does this evil work?** David Kupelian, a journalist and bestselling author of two books on evil, **THE MARKETING OF EVIL** and **HOW EVIL WORKS**, gives marvelous insight into the ways of evil. With his father a holocaust survivor and his travels to cover the news, he saw the politics of evil up close in the intrigues of nations. He says we have a government and culture that have gone mad. Kupelian marvels at the profound advances in knowledge about almost everything except ourselves and about evil and how it works. He describes our age as one of narcissists and super egos, an age suffering from an epidemic of illegal and mood altering psychiatric drugs replacing the couch to deal with anger, depression and other mental illnesses, drugs that often lead to violent behaviors and tragedies. Relationships are fragile and the divorce rate continues to rise. Politicians tell super colossal lies and our highly educated generation believes them. Greed dominates the economy and creates new forms of middle class poverty. He speaks of a malignant version of a major religion spreading its tyrannical message of hate, terror, and radical intolerance across the world while we appease it and criminalize other religions for speaking the Truth and God's kind of love. Sexual anarchists born out of a radical feminist agenda create gender confusion and boldly parade their rebellion against God and those who uphold the Judeo-Christian and sexual morality that has been the foundation of Western civilization and of this country for centuries. These radicals and the atheists who align themselves with them view traditional moral values as stupid and immorality and perversity as sophisticated. Their agendas aim to demoralize men and feminize boys as they seek to negate the rights of men as fathers in the human family. Let them visit any prison and see the reality of what happens to boys who had no father in their lives.

For atheistic socialism to take over a nation, these radical groups must combine forces to destroy the patriarchal system God set in place for the human family and for the Church, reflecting His own headship as Father within the family of the Trinity itself. In his book, **FAITH OF THE FATHERLESS: THE PSYCHOLOGY OF ATHEISM**, Paul C. Vitz concluded from his study of individual atheists that many had very troubled relationships with their fathers, or had abusive fathers, or lost their fathers while young, or were abandoned by their fathers. It is no surprise then, never having known the love of a father, that they would reject a God Who has revealed Himself precisely as **our Father**. One has to wonder if their vehement denial of God is actually a desperate cry deep within to know God as the loving Father they never had!

It is a truism that virtue and balance lie in the middle and allow harmony to exist. Radical movements, with their extremes, seek to disrupt order and balance and harmony and create anarchy, like the Wall Street occupation. Mr. Kupelian refers to the Chicago Marxist, Saul Alinsky, who wrote the book **RULES FOR RADICALS** for “community organizing,” a euphemism for a takeover of power, whether on the local, the national or the global level. Its most important principle of operation is the use of **intimidation, fear and ridicule**, making people feel so frustrated, defeated and futureless with the present that they are willing to sell out their past heritage of freedom and protection under our Constitution in exchange for some illusory promise of security or betterment. We see this in our fear of jihadists or in the Stockholm syndrome evident when Patty Hearst, in fear for her life, took on the evil mind of her oppressors and participated in their crime. Crises are created for this purpose, or naturally occurring ones are exploited to the same end. Get people mad and their fury becomes your weapon for change! Polarize the people. Control the media and prevent the truth from being told. Eliminate, one way or another, those who oppose you. Isn't this what is happening now with President Obama's healthcare plan that aims to force employers to go against their religious beliefs in providing employees with health plans that pay for artificial birth control and abortion? Isn't he intending to bankrupt any company that in conscience opposes his plan by imposing huge daily fines on them?

Dear God, breathe your Spirit breath into our dead bones lying here in the valley of America. Lift the scales from our eyes and give us moral clarity so we can see clearly that we are in a huge confrontation between deception and truth, between rejection and acceptance of You, O God, and **Your** Will. Who is the Master Liar? And Who is the Way, the Truth and the Life, the Light of the world? On July 13, 1981, feast of the Most Precious Blood of Jesus poured out for our salvation, Jesus addressed Sister Mildred:

**“Many unnatural acts are being committed in the name of love. This evil is being disguised and tolerated as an intrinsic right like any other. Even some of My priests and consecrated virgins are being caught up into this web of evil, not realizing its terrible consequences.**

**My dearest one, many false doctrines are being taught and for many the true Christ is never made known. The false prophets and self-proclaimed Messiahs are drawing many away from Me, the Way, the Truth and the Life. I am the true Messiah who was sent and the only one proclaimed as such by My Father. Seek Me for I only am truth, I only am the Christ.”** (Diary, Pg. 40.)

**How do we wage war against this evil that is trying to devour our nation and our souls and win?** The only sure answer is with the truth, the Truth of Our Lord Jesus Christ! Proclaim it and evil will be dissipated for it shrivels in the Light of Christ and grovels at the sound of the name of Jesus! We have been given the armor of God for doing battle against the powers of this dark world and the spiritual forces of evil in the heavenly realms; with that armor we shall ride on the wings of angels into eternal glory!

**Let no one deceive you with empty arguments, for because of these things the wrath of God is coming upon the disobedient. ...For you once were darkness, but now you are light in the Lord. Live as children of light, for light produces every kind of goodness and righteousness and truth. ... Watch carefully then how you live, not as foolish persons but as wise, making the most of the opportunity because the days are evil. Therefore, do not continue in ignorance, but try to understand what is the will of the Lord.** (Ephesians 5:6-17)

**Finally, draw your strength from the Lord and from his mighty power. Put on the armor of God so that you may be able to stand firm against the tactics of the devil. For our struggle is not with flesh and blood but with the principalities, with the powers, with the world rulers of this present darkness, with the evil spirits in the heavens. Therefore, put on the armor of God that you may be able to resist on the evil day and, having done everything, to hold your ground. So stand fast with your loins girded in truth, clothed with righteousness as a breastplate, and your feet shod in readiness for the gospel of peace. In all circumstances, hold faith as a shield to quench all the flaming arrows of the evil one. And take the helmet of salvation and the sword of the Spirit, which is the word of God.** (Ephesians 6:10-17.)

We enter the battle against evil with God on our side, bold with the Spirit of Jesus, with **St. Joseph, protector of the Church**, and with Our Blessed Lady and all the angels and saints whom she commands. We wage our battle alongside our personal guardian angels and the guardian angels of America and of the United States. We fight under Our Lady's banner of purity and as her **“army of chaste soldiers, ready to fight to the death to preserve the purity of our souls.”** We place all our confidence in Mary's promise that in the end **her Immaculate Heart will triumph!** We Torchbearers of our Queen are led in battle by Michael, Prince of Heaven and Defender of God's honor. May the Light of Christ dispel our night of darkness and fill the earth with the eternal day of the city of God. The victory has already been won for us by Jesus; now we claim it as we heed these precious words of hope and promise from the guardian angel and protector of the United States of America, the Angel Sultra, power of God!

**“I am the Angel Sultra, sent by the Almighty whose faithful servant I am, to help the people of God in their hour of need. I have been appointed guardian,**

protector and defender of the United States of America whose people honor and love the Immaculate Virgin, the Queen of Angels and have dedicated their land to Her.

If the people of this Land carry out faithfully the instructions and pleadings of the Lord Jesus and the Virgin Mother then they will be following me to the hour of peace. With this sword of the Divine white flame of Love and the lightning bolts of His infinite Justice God will strike down his enemies and heal the repentant sinner. This Nation and all who follow in the pursuit of peace will know the protection of God and the destruction of those who fight and seek to destroy them through the evil powers of the infernal spirits of darkness and hate.

Follow me, people of God, brothers and sisters, as our Queen paves the way and the peace of the Lord will reign once more upon the earth.”

The words of the Guardian Angel of America are more blessed still.

“I am the Archangel Sardus, Protector, Guardian and Defender of America whose soil is saturated with martyrs’ blood and honors so highly the Queen of Heaven and Her holy Spouse who work only to further the Kingdom of Jesus.

With these shafts of light God seeks out and binds with eternal chains the evil powers and those who have sold themselves to these enemies of God and His people. They who are chained to habits of sin through weakness but have hearts filled with guilt and repentance will have their chains broken so that they will be free once more to love and serve the Master.

Listen to the words and warnings of the Queen of Heaven and you will experience my protection and I will fight in your defense that with the people of all Nations you can at last come to the peace of the Kingdom which is within you.”

[Sister Mildred stated:] Both of these blessed Spirits seemed to be composed of light. I could barely see any form. Their garments were of a dazzling whiteness, their voices were not like any other ever heard, not audible except to the inner hearing which is indescribable. I was further informed that these two mighty Spirits would fight together side by side aided by an army of their companion Spirits. (Diary, Pgs. 41-42, August 22, 1981.)

**When will the hour of peace come?** As the angel said, **when we “carry out faithfully the instructions and pleadings of the Lord Jesus and His Virgin Mother!”** So let us fix our eyes on Mary, Mother of the Redeemer, and on Jesus, the Redeemer, Who binds us to the power of God. Then and only then will our Nation be healed!
