

God's Holy War to Save Our Souls

Return to God with All Your Hearts!

“From the beginning of time every prophecy, every vision, throughout the centuries, will have its fulfillment in Our Lady of America® and her message of the Indwelling Trinity living in every soul, which will renew the whole world and destroy Lucifer and all the evil spirits in the fight he is making against the Indwelling Trinity. This will eventually destroy him.”

(These words were spoken by Our Lady, under the image of Our Lady of America®, to Sister Mildred (Mary Ephrem) Neuzil on August 27, 1995, and were communicated by Sister to a friend in Arizona on August 30, 1995.)

On that same day, August 27, 1995, Our Lady spoke further to Sister Mildred (Mary Ephrem) Neuzil, visionary of the Our Lady of America® apparition, on the importance of the Indwelling Trinity for the salvation of souls and for the final triumph of her Immaculate Heart, and on the role our youth must play in this triumph.

... “Just trust me and soon you will see the wonders that I am performing, because of my Son and because of the Trinity, [which] will be done throughout the whole world. The young people will be spreading it all over and it will become a new world. This is why the evil spirit Lucifer hates you so. He will do everything he can to stop it (the message of the Indwelling of the Trinity), to make you suffer so that you will lose your confidence. But don't ever lose it. Trust me. It will not last forever. I am depending on you and your confidence in me.”

We are all familiar with the story of the creation of the angels, those superb beings of pure spirit so like unto God. Having been made in the image of God's Love which is free, they had to be given free will to be capable of love. That means choice, being put to the test to choose God's love or to reject Him. It is the common belief of the

Church fathers that the angels were tested by being presented with the Incarnation of the Son of God, His Sacred Humanity, which would also imply presentation of the Immaculate Conception and the divine motherhood of Mary. As the Book of Revelation tells us, 1/3 of the angels followed the proud Lucifer who said “Non servio” to worshipping a God in human form, a nature so inferior to their own. The Book of Revelation says that with that rejection of God’s love they were cast down to earth, no doubt to be the instruments of mankind’s testing and freedom for love. From that time onward Lucifer, that former angel of light, now called Satan, the Prince of Darkness, has waged war against God, against Jesus and His Church, in the battle for souls. We know how our first parents failed in their test, believing the lies of that slithering serpent over God’s truth and inflicting on us all the effects of their original sin. Satan spares no one from his attacks as he vents his revenge on the Sacred Humanity now identified with each of us in the God-made-Man. Since Mary, that lowly human creature exalted to divine motherhood assumes a place higher in grace than Satan’s in nature, a place at the right hand of the Son of God above all angels, she, too, becomes the target of Satan’s war on the Sacred Humanity and those in communion with Him. Such attacks are evident in the current plethora of blasphemies profaning the virginity, the purity and holiness of Jesus and Mary in exhibitions falsely called art and erroneously accepted as expressions of artistic freedom. There is no human freedom that is not limited, and to reduce the sacred to the profane is blasphemy. **Satan cannot win this battle for souls. God, precisely because He is God, always wins in the end.**

Human history records this struggle between good and evil, the forces of God under attack by the forces of Satan. Scripture depicted the Roman Empire of Jesus’ day with the number 666, a biblical symbol for the embodiment of evil. Each generation has known an evil power that fits that symbolic number. Sometimes it is embodied in an individual like Herod or Hitler, false gods and false messiahs. At other times it is an ideology like communism, atheism, secular humanism, materialism, nihilism, which attack the very reality of the existence of God, of sin and grace, and those final things-- judgment, heaven or hell. We see evil embodied in our current culture of death that legalizes abortion, the murder of our own young; in euthanasia which falsely calls murder mercy as man plays god in deciding who shall live and who shall die, and when; in false religions with their terrorism and war, killing and suicide, mockingly claiming to do these things in the name of God. We see evil in the culture of the flesh, with its unnatural acts, which deludes itself into believing morally decaying governments that falsely call such deeds inherent human rights, and pass civil laws contrary to Divine Law legalizing them, can legitimize them before God and humankind. Evil is present in the culture of apostasy as Christians themselves so often become the divisive factor within the Church. Too often some who are mandated to instruct and defend the Faith teach and endorse what is contrary to God’s Revelation in the Natural and the Moral Law which the Church, to be true to its Founder and Head, Jesus Himself, is obligated to

teach and defend. Disobedience to God's laws and His Will becomes idolatry, for it means we deify our own will and our own selves. Considering God has wed us to Himself in Trinitarian Love in the Person of Jesus and espoused us to Christ as His Church, His Mystical Body, such idolatry becomes spiritual adultery as well. How often Scripture speaks of sin in terms of idolatry or adultery and speaks of God's espousal with His people, His beloved, formed in the image of the Beloved Son.

Blessed John Paul II has called the 20th century the most evil in the history of mankind. Why? Can it be that we have increasingly reversed both the Natural and the Moral Law, calling what is right wrong and what is wrong right? Can it be that this century has over-glorified science and the human will, inflicting on the world its own dehumanization and self-destruction in its often suffocating technology and its weapons of mass destruction that are increasingly surpassing our ability to control them?

Satan is the Prince of this world; his weapons are lies and hatred. Jesus' kingdom is not of this world; His weapons are Truth and Love. Satan seeks always to mock the things of God. We see his mockery and blasphemy in the satanic use of this precious term "**Trinity,**" by which we identify our **Trinitarian God of Love,** as the **code name for the first nuclear weapons test of the atomic bomb** conducted by the United States army on July 15, 1945, in the Jornada del Muerto desert of New Mexico, the White Sands Proving Ground now known as the White Sands Missile Range. The date of this test is usually considered to be the beginning of the Atomic Age. These tests prepared for the bombing of Nagasaki and Hiroshima, Japan, on August 6th and 9th of 1945. Estimates vary but it is believed over 220,000 innocent people died instantly and another 50,000 shortly after from radiation burns and sickness. We can only guess how many died in the long term from further effects of radiation poisoning. These were civilians! Such violence does not come from God but is a sure sign of the presence of the evil one at work in our world. Has our age of science gone astray from all reason, moral conscience and divine guidance in abusing God's gifts to create such weapons of mass destruction and despicable violence that destroy so many innocent lives and so much of life itself? Can we wonder why we call this age the most evil in human history? Do we not live in fear of madmen unleashing this deadly force upon us and destroying the greater part of the world and its people and other living things?

Let us consider the message of Our Lady of America® in terms of this spiritual warfare against our Trinitarian Love, Father, Son and Holy Spirit, the source and the end of all life, all goodness, Purity and Love Itself, Who created, redeemed and sanctifies us in love and desires to share their Indwelling Presence with us for our own happiness. Heaven has mandated America and our youth in particular to lead the whole world back to God in purity, faith and holiness, by the only way that ensures true freedom and lasting happiness, the way of Christ's cross, the way of the Sacred Humanity. In the 1940's Our Lord spoke to Sister Mildred about man-made weapons

and peace. True peace comes from Christ, the Prince of Peace, and is a gift from heaven and must reign within the human heart, rooted in God's truth and God's Love which alone can enable forgiveness and the healing of all human wounds.

My little white dove, if the world is dying, it is because it will not let Me give it life. I am the resurrection and the life, and unless souls seek their life in Me, they will find only death and destruction.

They fear man-made destroyers of life, yet destruction is in themselves. Man destroys himself through the evil that is in himself. Implements of war kill only that which is without. Man kills that within himself which none but he can kill. God is light, man is darkness, and unless he comes into the light, he will be forever darkness. ...

My little white dove, do you know what I find most lacking in the world today? It is FAITH. ... Pray and sacrifice yourself, My child, that faith may once again find entrance into the hearts of men.

My daughter, I am not loved in the homes of men. And because I am not loved, the Divine Trinity refuses to dwell therein. Children are not taught to love Me, because those who have charge over them have no time or patience to do so. My Heart grieves over My children in the world. Their hearts are being drawn farther and farther away from Me. They will not even listen to My Mother, because they have never been taught to listen.

Blessed are the homes that honor My Name and the Name of My Father. Blessed are the homes where I am loved, for there the Holy Trinity dwells. Blessed are the parents and children who have made a home for God in their hearts.

... My children, every home and every soul is My Father's house, for He made them and they are His. But many of them are no longer sanctified by His Presence. Thieves have entered in and stolen from Him His temples of prayer. It is you, My children, who have let them in. If, My children, you will cleanse your temples, My Father will return and We will come and make our abode with you.

Return, My people, for My Heart hungers and thirsts for your love. If you will not return, the just anger of My Father will descend upon you. What would you—My love or My Father's anger? Choose, and as you choose, so shall it be done. I will not force your free will, for that is yours to use as you desire.

(Sister Mildred (Mary Ephrem) Neuzil, Diary, OUR LADY OF AMERICA©, Fostoria, Ohio, Pgs 6-7.)

Blessed John Paul II, in his encyclical letter *The Splendor of Truth*, pages 20, 51 and 56, states:

The church, instructed by the Teacher's words, believes that man, made in the image of the Creator, redeemed by the Blood of Christ and made holy by the presence of the Holy Spirit, has as the ultimate purpose of his life to live "for the praise of God's glory" (cf. Eph 1:12), striving to make each of his actions reflect the splendor of that glory. "Know then, O beautiful soul, that you are the image of God," writes Saint Ambrose. "Know that you are the glory of God."

[He goes on to state...] Revelation teaches that *the power to decide what is good and what is evil does not belong to man, but to God alone*. The man is certainly free, inasmuch as he can understand and accept God's commands. And he possesses an extremely far reaching freedom, since he can eat "of every tree of the garden." But his freedom is not unlimited: it must halt before the "tree of the knowledge of good and evil," for it is called to accept the moral law given by God. In fact, human freedom finds its authentic and complete fulfillment precisely in the acceptance of that law. God, who alone is good, knows perfectly what is good for man, and by virtue of his very love proposes this good to man in the commandments. God's law does not reduce, much less do away with human freedom; rather, it protects and promotes that freedom.

The moral law has its origin in God and always finds its source in him: at the same time, by virtue of natural reason, which derives from divine wisdom, it is a properly human law. Indeed, as we have seen, the natural law "is nothing other than the light of understanding infused in us by God, whereby we understand what must be done and what must be avoided. God gave this light and this law to man at creation."

From 1957–1958 and in the early 1980's, Our Lady of America®'s message carried a tone of great warning and addressed the evil that is enveloping the world due to the failure of mankind to obey God's laws and to do what is right, true and good according to God's Will and Revelation in the Person of Jesus, His Eternal Word.

"Suffering and anguish, such as never before experienced, is about to overtake mankind. It is the darkest hour. But if men will come to me, my Immaculate Heart will make it bright again with the mercy which my Son will rain down through my hands. Help me save those who will not save themselves. Help me bring once again the sunshine of God's peace upon the world." (Diary, Pg. 15.)

"I am pleased, my child, with the love and honor my children in America give to me, especially through my glorious privilege of the Immaculate Conception. I promise to reward their love by working

through the power of my Son's Heart and my Immaculate Heart miracles of grace among them. *I do not promise miracles of the body, but of the soul.* ... For it is mainly through these miracles of grace that the Holy Trinity is glorified among men and nations. Let America continue and grow in its love for me, and I in return, in union with the Heart of my Son, promise to work wonders in her. My child, I desire that this be known. ... I am Our Lady of America®. I desire that my children honor me, especially by the purity of their lives. ... Take me in that I may teach you to live in great purity of heart which is so pleasing to God. Be my army of chaste soldiers, ready to fight to the death to preserve the purity of your souls. I am the Immaculate One, Patroness of your land. Be my faithful children as I have been your faithful Mother.” (Diary, Pg 12.)

“Man fears to sacrifice himself because he is selfish. If souls would place themselves into my keeping, I would teach them the way of true love. If men truly loved my Son, they would not quarrel with each other and they would have peace in their own hearts. Peace is from within, not from without. If mankind were at peace with itself, there would be peace in the world. Man will only have peace if he has in his heart that true love of neighbor that springs from a whole-hearted love for my Son.”

... “O child of my Pure Heart, tell my children to come to me and learn this true love of my Son, which is so necessary for their peace of soul. ... From this Pure and Immaculate Heart you will learn all that will make you more pleasing to the Divine Heart of the Son of God. The Holy Trinity looks down with infinite delight upon such souls and makes them Its heaven upon earth.” (Diary, Pgs. 15-16.)

... “I wish to gather about me, my tender child, soldier and valiant bearer of the torch, an army of brave lovers, who as my torchbearers will enkindle the fire of Divine Love in the souls of men. Only those who are strong in love can become my soldiers to bear aloft, not the sword of destruction, but the sword of fire, the flaming torch of Divine Charity. ... My child, there will be peace, as has been promised, but not until my children are purified and cleansed from defilement, and clothed thus with the white garment of grace, are made ready to receive this peace, so long promised and so long held back because of the sins of men.” (Diary, Pgs. 19, 21.)

“My Immaculate Heart will win in the end, and the Spirit of Christ will dwell in the hearts of men. Those in whom this Spirit is not found will be condemned to eternal hell-fire. My sweet child, the Father will never recognize a soul as His own unless He sees in it the likeness of His beloved Son. Souls must attain to the perfection of the Father through the Spirit of the Son. ... There is only one true way to the Father, my child, only one way to eternal union. It is the way of the divine humanity. It is through my Son, the Only –begotten of the Father, that souls attain perfect union with the Divinity, as perfect as human nature is capable of, aided by divine grace.” (Diary, Pg. 23.)

“You must try to make my people understand that the life of God within them is the source of their peace and happiness. There is no other way. This is what my Son came to teach and bring and it was for this He lived and died. Unless the mystery of God’s Presence within is accepted and lived, peace will not come. It is the only way, believe me, my daughter.” (Diary, Pg. 37.)

Addressing the divine mandate given to the United States Our Lady states to Sister:

“Dear child, unless the United States accepts and carries out faithfully the mandate given to it by heaven to lead the world to peace, there will come upon it and all nations a great havoc of war and incredible suffering. If, however, the United States is faithful to this mandate from heaven and yet fails in the pursuit of peace because the rest of the world will not accept or co-operate then the United States will not be burdened with the punishment about to fall.”

[Sister states:] I was afraid that the burden of leadership would be too great for the United States without some special help from heaven. Our Lady assured me that Michael and the whole army of Blessed Spirits will give their assistance at all times. As the Queen of Angels she has loving command over them and they accomplish whatever she wishes. (Diary, Pg. 38.)

Sister detected in these later messages the sense of urgency and the shortness of time allotted to us to pray and make the necessary sacrifices to bring about world peace, stating that the Forces of Evil are enveloping the world and their hatred is particularly focused on the United States because of the Divine Mandate given to it to lead the world to peace. (Diary, Pg. 39.) Sister goes on to describe the August 22, 1981 appearances of the Guardian angels of America and of the United States.

“I am the Angel Sultra, sent by the Almighty whose faithful servant I am, to help the people of God in their hour of need. I have been appointed guardian, protector and defender of the United States of America whose people honor and love the Immaculate Virgin, the Queen of Angels, and have dedicated their land to Her.

If the people of this land carry out faithfully the instruction and pleadings of the Lord Jesus and the Virgin Mother then they will be following me to the hour of peace. With this sword of the Divine white flame of Love and the lightning bolts of His infinite Justice God will strike down his enemies and heal the repentant sinner. This Nation and all who follow in the pursuit of peace will know the protection of God and the destruction of those who fight and seek to destroy them through the evil powers of the infernal spirits of darkness and hate. Follow me, people of God, brothers and sisters, as our Queen paves the way and the peace of the Lord will reign once more upon the earth.”(Diary, Pg. 41.)

“I am the Archangel Sardus, Protector, Guardian and Defender of America whose soil is saturated with martyrs’ blood and honors so highly the Queen of Heaven and Her holy Spouse who work only to

further the Kingdom of Jesus. With these shafts of light God seeks out and binds with eternal chains the evil powers and those who have sold themselves to these enemies of God and His people. They who are chained to habits of sin through weakness but have hearts filled with guilt and repentance will have their chains broken so that they will be free once more to love and serve their Maker.

Listen to the words and warnings of the Queen of Heaven and you will experience my protection and I will fight in your defense that with the people of all Nations you can at last come to the peace of the Kingdom which is within you. [The Indwelling Trinity.] (Diary, Pg. 41.)

On January 3, 1984, Sister asked Our Lady if there would be a nuclear war, as everyone is so afraid. Our Lady answered:

“My faithful one, if my warnings are taken seriously and enough of my children strive constantly and faithfully to renew and reform themselves in their inward and outward lives, then there will be no nuclear war. What happens to the world depends upon those who live in it. There must be much more good than evil prevailing in order to prevent the holocaust that is so near approaching.

Yet I tell you, my daughter, even should such a destruction happen because there were not enough souls who took my warnings seriously, there will remain a remnant—untouched by the chaos who, having been faithful in following me and spreading my warnings, will gradually inhabit the earth again with their dedicated and holy lives. These will renew the earth in the power and light of the Holy Spirit. These faithful ones of my children will be under my protection and that of the Holy Angels, and they will partake of the life of the Divine Trinity in a most remarkable way. Let my dear children know this, precious daughter, so that they will have no excuse if they fail to heed my warnings.” (Diary, Pg. 45.)

Given the moral climate in America today and the widespread disobedience to Divine Law and Truth and the disregard for God’s supreme authority over our land, dare we believe America will continue to enjoy the blessings of God? Are we listening to Our Lady’s warnings and are we embracing the reform of life for which she has and continues to ask? Are we worthy of so much favor and such miracles of the soul, greater even than those granted at Lourdes and Fatima, which Our Lady of America, the Immaculate Virgin® has promised to us if we listen to her?

Pray! Pray for America, that we may be worthy of such favor to our land!
