

Medals and Miracles for America and the World

The 64th Anniversary of Our Lady of America

“I am pleased, my child, with the love and honor my children in America give to me, especially through my glorious and unique privilege of the Immaculate Conception. I promise to reward their love by working through the power of my Son’s Heart and my Immaculate Heart miracles of grace among them. I do not promise miracles of the body, but of the soul.” ... Let America continue and grow in its love for me, and I in return, in union with the Heart of my Son, promise to work wonders in her.” Our Lady promised that greater miracles than those granted at Lourdes and Fatima would be granted here in America, the United States in particular, if we would do as she desires. (Sister Mildred (Mary Ephrem) Neuzil, The Diary, OUR LADY OF AMERICA, Page 10, 9.)

When we turn on the TV we can have no doubt that we are living in dark and demonic times, more dangerous to our souls than any virus to our bodies. Happily, we recall Our Lady’s apparition to Sister Mildred (Mary Ephrem) Neuzil on September 26, 1956, sixty-four years ago, when she thanked the United States for honoring her as our Patroness under her singular privilege of the Immaculate Conception. Our Lady wishes to make the whole of America her shrine. She promised us miracles, spiritual miracles greater than those granted at Lourdes and Fatima if we do as she has asked. What has she asked? Reform of life! Conversion! Prayer! Penance! Sanctification from within! Atonement for sin! She asked for greater reverence toward the Eucharist and the renewal of the family through imitation of the simple virtues of the Holy Family and the family rosary. She asked for the daily recitation of The Prayer to the Immaculate Conception in her honor. St. Joseph asks us to honor him on the First Wednesday of the month with an extra rosary and meditation on the Joyful Mysteries. In April of 1957, Our Lady warned us what happens if we do not heed her call for reform of life.

“My sweet child, unless my children reform their lives, they will suffer great persecution. If man himself will not take upon himself the penance necessary to atone for his sins and those of others, God in His justice will have to send upon him the punishment necessary to atone for his transgressions.” (Diary, Pg. 17.)

Note carefully, Our Lady says **for our own sins AND the sins of others**. We must atone for the sins of our Church, our Nation and all Nations. At Fatima Our Lady said war is a punishment for sin, but peace is not merely the absence of war. On November 22, 1980, the United States was given the mandate to lead the world to peace, the peace Christ brought with Him from heaven. Listen to these strong words from Our Lady:

“Dear child, unless the United States accepts and carries out faithfully the mandate given to it by heaven to lead the world to peace, there will come upon it and all nations a great havoc of war and incredible suffering. If, however, the United States is faithful to this mandate from heaven and yet fails in the pursuit of peace because the rest of the world will not accept or co-operate then the United States will not be burdened with the punishments about to fall.” “America, the United States in particular, is being given the tremendous, yet privileged, opportunity to lead all nations in a spiritual renewal never before so necessary, so important, so vital.” (The Diary, Pages 38, 25.)

On January 3, 1984, Sister asked Our Lady if there would be a nuclear war. Our Lady responded as always, it depends on us.

“There must be much more good than evil prevailing in order to prevent the holocaust that is so near approaching. Yet I tell you, my daughter, even should such a destruction happen because there were not enough souls who took my warnings seriously, there will remain a remnant—untouched by the chaos who, having been faithful in following me and spreading my warnings, will gradually inhabit the earth again with their dedicated and holy lives. These will renew the earth in the power and light of the Holy Spirit. These faithful ones of my children will be under my protection and that of the Holy Angels, and they will partake of the life of the Divine Trinity in a most remarkable way.” (The Diary, Pg. 45.)

Our Lady does not mince words. She speaks of a holocaust that is fast approaching! She indicates how few are taking her warnings seriously, and assures those who are that we will be under her protection and that of the Holy Angels. The Guardian Angel over the United States of America repeats that warning and promise of protection on August 22, 1981, feast of the Queenship of Mary.

“If the people of this Land carry out faithfully the instructions and pleadings of the Lord Jesus and the Virgin Mother then they will be following me to the hour of peace. With this sword of the Divine white flame of Love and the lightning bolts of His infinite Justice God will strike down his enemies and heal the repentant sinner. This Nation and all who follow in the pursuit of peace will know the protection of God and the destruction of those who fight and seek to destroy them through the evil powers of the infernal spirits of darkness and hate. Follow me, people of God, brothers and sisters, as our Queen paves the way and the peace of the Lord will reign once more upon the earth.” (Diary, Pg. 41.)

So how is the United States to carry out this mandate to lead the world to peace? Of course, our government must work toward peace between nations, but diplomacy is not enough. The evil that Our Lady said is enveloping the whole world and is focused on the United States because of this mandate from heaven, can only be crushed by divine intervention, divine grace, that great Secret of Secrets St. Joseph revealed to Sister Mildred when he spoke to her of the Divine Indwelling of the Most Holy Trinity, the reality of the Presence of God in every soul. Our Lady lived that mystery in her entire life; she is the Immaculate Tabernacle of the Indwelling God. The Holy Family lived it, for Jesus was the center of its life, the very Presence of God in their midst, making their home a paradise on earth, the temple of God. On July 18, 1980, Our Lady urged Sister:

“You must try to make my people understand that the life of God within them is the source of their peace and happiness. There is no other way. This is what my Son came to teach and bring and it as for this He lived and died. Unless this mystery of God’s Presence within is accepted and lived, peace will not come. It is the only way, believe me, my daughter.” (Diary, Pg. 37.) **“Peace is from within, not from without. If mankind were at peace with itself, there would be peace in the world. Man will only have peace if he has in his heart that true love of neighbor that springs from a whole-hearted love for my Son.”** (Diary, Pg. 16.)

The Secret of Secrets is about sanctification from within; that is the reform of life Our Lady desires. As she told Sister Mildred and as is recorded and notarized in a letter from Sister’s friend, the central doctrine of our Faith, the Indwelling Trinity, is the means to

crushing the head of the ancient serpent and completing the Triumph of Mary's Immaculate Heart as promised at Fatima, and again to Sister on February 11, 1958, the feast of St. Bernadette. No wonder Satan hates this message of Our Lady of America and the Indwelling Trinity, for it means the end of his power on earth and God's reign forever. To live in the Presence of the Trinity is to be in the state of grace, sanctifying grace, free from all mortal sin, sharing in God's life within us. We live in God and God lives in us. Satan cannot dwell where God lives!

The world is waking up to the enormity of this evil. Prayer campaigns, novenas and rosary crusades are going on across America. Check out CEMA and The Triumph Tour 2020 for holy hours at various locations across America and Canada from September 29, feast of the Archangels, until October 20. You can participate in a Virtual Prayer and Fasting Conference from October 12-20, 2020, 9 days of Mass, prayer, fasting, rosary, adoration and inspirational speakers at <https://www.eventbrite.com/e/international-week-of-prayer-and-fasting-virtual-conference-2020-tickets-121224452601>.

OR—You can help our own Sacramento Torchbearers of the Queen group place blessed Miraculous Medals around the foundations of our homes, churches, schools, hospitals, nursing homes, police departments and government buildings, saying a prayer for protection for all these places and the people who occupy them. Please also place blessed medals around those places that need a “spiritual exorcism.” You know which places they are. We need Torchbearers from every state in the union to participate. Did you know that the Miraculous Medal was first called the Medal of the Immaculate Conception, which ties this effort deeply to the work of Our Lady of America for reform of life and spiritual renewal. You can purchase your own inexpensive aluminum medals from your local religious book store, religious suppliers or the Miraculous Medal Association. They are very reasonably priced in bulk orders. The image on the Miraculous Medal is that of Our Lady of Grace. It shows beams of light streaming from the gems on the rings on Our Lady's fingers. The rays symbolize all the graces Our Lady gives to those who ask for them. Gems with no streaming light represent all the graces for which no one has asked. So, PLEASE, ask for every conceivable grace for America, especially an end to abortion, riots, Covid 19, false teaching, satanism, transgenderism, and everything you can think of that is opposed to God. Take Our Lady at her word. Ask for every spiritual and temporal need for your family. Will you do this during Mary's month of the Rosary to help her in her battle against evil? Will you help our Torchbearers who love Mary so much? Will you pray for your state in this way and e-mail office@ourladyofamerica.com and identify your state? Every state in the union must be claimed for Mary's protection. Thank you so much. If you have not yet purchased the Medallion of Our Lady of America for personal protection, do so soon. Let the final Triumph of the Immaculate Heart begin right now! You may copy this flyer and give it to others to share in this holy endeavor. May the angels go with you to guide and protect you and our land, for the glory of God.
